By undergoing the registration process, you consent to us collecting your Personal Data, including the Personal Data described in this clause, as well as storing, using or disclosing your Personal Data in accordance with this Privacy Policy.

b) Unregistered users: If you are a passive user of the Website and do not register for any purchases or other service, you may still be subject to certain passive data collection ("Passive Data Collection"). Such Passive Data Collection may include through cookies, as described below, IP address information, location information, and certain browser data, such as history and/or session information.

c) All users: The Passive Data Collection which applies to Unregistered users shall also apply to all other users and/or visitors of our Website.

d) Sales & Billing Information: In order to purchase any of the goods on the Website, you will be asked to provide certain credit information, billing address information, and possibly additional specific information so that you may be properly charged for your purchases. This payment and billing information may be stored for the following period: 1 year. If so, it will be used exclusively to assist you with making future purchases with us.

e) Related Entities: We may share your Personal Data, including Personal Data that identifies you personally, with any of our parent companies, subsidiary companies, affiliates or other trusted related entities.

However, we only share your Personal Data with a trusted related entity if that entity agrees to our privacy standards as set out in this Privacy Policy and to treat your Personal Data in the same manner that we do.

f) Email Marketing: You may be asked to provide certain Personal Data, such as your name and email address, for the purpose of receiving email marketing communications. This information will only be obtained through your voluntary disclosure and you will be asked to affirmatively opt-in to email marketing communications.

g) User Experience: From time to time we may request information from you to assist us in improving our Website, and the Goods we sell, such as demographic information or your particular preferences.

h) Content Interaction: Our Website may allow you to comment on the content that we provide or the content that other users provide, such as blogs, multimedia, or forum posts. If so, we may collect some Personal Data from you at that time, such as, but not limited to, username or email address.

i) Combined or Aggregated Information: We may combine or aggregate some of your Personal Data in order to better serve you and to better enhance and update our Website for your and other consumers' use.

Article 7 - THE PERSONAL DATA WE RECEIVE AUTOMATICALLY:

Cookies: We may collect information from you through automatic tracking systems (such as information about your browsing preferences) as well as through information that you volunteer to us (such as information that you provide during a registration process or at other times while using the Website, as described above).

For example, we use cookies to make your browsing experience easier and more intuitive: cookies are small strings of text used to store some information that may concern the user, his or her preferences or the device they are using to access the Internet (such as a computer, tablet, or mobile phone). Cookies are mainly used to adapt the operation of the site to your expectations, offering a more personalized browsing experience and memorizing the choices you made previously.

A cookie consists of a reduced set of data transferred to your browser from a web server and it can only be read by the server that made the transfer. This is not executable code and does not transmit viruses.

Cookies do not record or store any Personal Data. If you want, you can prevent the use of cookies, but then you may not be able to use our Website as we intend. To proceed without changing the options related to cookies, simply continue to use our Website.

Technical cookies: Technical cookies, which can also sometimes be called HTML cookies, are used for navigation and to facilitate your access to and use of the site. They are necessary for the transmission of communications on the network or to supply services requested by you. The use of technical cookies allows the safe and efficient use of the site.

You can manage or request the general deactivation or cancelation of cookies through your browser. If you do this though, please be advised this action might slow down or prevent access to some parts of the site.

Cookies may also be retransmitted by an analytics or statistics provider to collect aggregated information on the number of users and how they visit the Website. These are also considered technical cookies when they operate as described.

Temporary session cookies are deleted automatically at the end of the browsing session - these are mostly used to identify you and ensure that you don't have to log in each time - whereas permanent cookies remain active longer than just one particular session.

Support in configuring your browser: You can manage cookie through the settings of your browser on your device. However, deleting cookies from your browser may remove the preferences you have set for this Website.

For further information and support, you can also visit the specific help page of the web browser you are using:

- Internet Explorer: <http://windows.microsoft.com/en-us/windows-vista/block-or-allow-cookies>
- Firefox: <https://support.mozilla.org/en-us/kb/enable-and-disable-cookies-website-preferences>
- Safari: <http://www.apple.com/legal/privacy/>
- Chrome: <https://support.google.com/accounts/answer/61416?hl=en>
- Opera: <http://www.opera.com/help/tutorials/security/cookies/>

Log Data: Like all websites and mobile applications, this Website also makes use of log files which store automatic information collected during user visits. The different types of log data could be as follows:

- internet protocol (IP) address;
- type of browser and device parameters used to connect to the Website;
- name of the Internet Service Provider (ISP);
- date and time of visit;
- web page of origin of the user (referral) and exit;
- possibly the number of clicks.

The aforementioned information is processed in an automated form and collected in an exclusively aggregated manner in order to verify the correct functioning of the site, and for security reasons. This information will be processed according to the legitimate interests of the Data Controller.

For security purposes (spam filters, firewalls, virus detection), the automatically recorded data may also possibly include Personal Data such as IP address, which could be used, in accordance with applicable laws, in order to block attempts at damage to the Website or damage to other users, or in the case of harmful activities or crime. Such data are never used for the identification or profiling of the user, but only for the protection of the Website and our users. Such information will be treated according to the legitimate interests of the Data Controller.

Article 8 - THIRD PARTIES:

We may utilize third party service providers ("Third Party Service Providers"), from time to time or all the time, to help us with our Website, and to help serve you.

We may use Third Party Service Providers to assist with information storage (such as cloud storage).

We may provide some of your Personal Data to Third Party Service Providers in order to help us track usage data, such as referral websites, dates and times of page requests, etc. We use this information to understand patterns of usage of, and to improve, the Website.

We may use Third Party Service Providers to host the Website. In this instance, the Third Party Service Provider will have access to your Personal Data.

We may use Third Party Service Providers to fulfill orders in relation to the Website.

We may allow third parties to advertise on the Website. These third parties may use cookies in connection with their advertisements (see the "Cookies" clause in this Privacy Policy).

We only share your Personal Data with a Third Party Service Provider if that provider agrees to our privacy standards as set out in this Privacy Policy.

Your Personal Data will not be sold or otherwise transferred to other third parties without your approval.

Notwithstanding the other provisions of this Privacy Policy, we may provide your Personal Data to a third party or to third parties in order to protect the rights, property or safety, of us, our customers or third parties, or as otherwise required by law.

We will not knowingly share your Personal Data with any third parties other than in accordance with this Privacy Policy.

If your Personal Data might be provided to a third party in a manner which is other than as explained in this Privacy Policy, you will be notified. you will also have the opportunity to request that we not share that information.

Article 9 - HOW PERSONAL DATA IS STORED:

We use secure physical and digital systems to store your Personal Data when appropriate. We ensure that your Personal Data is protected against unauthorized access, disclosure, or destructions.

Please note, however, that no system involving the transmission of information via the internet, or the electronic storage of data, is completely secure. However, we take the protection and storage of your Personal Data very seriously. We take all reasonable steps to protect your Personal Data.

Personal Data is stored throughout your relationship with us. We delete your Personal Data upon request for cancellation of your account or other general request for the deletion of data.

In the event of a breach of your Personal Data, you will be notified in a reasonable time frame, and we will follow all applicable laws regarding such breach.

Article 10 - PURPOSES OF PROCESSING OF PERSONAL DATA:

We primarily use your Personal Data to help us provide a better experience for you on our Website and to provide you the services and/or information you may have requested, such as use of our Website.

Information that does not identify you personally, but that may assist in providing us broad overviews of our customer base, will be used for market research or marketing efforts. Such information may include, but is not limited to, interests based on your cookies.

Personal Data that may be considering identifying may be used for the following:

- a) Improving your personal user experience
